

## About Website :

Our ISTE MBU & SVEC Website is a Full Stack Website developed using technologies HTML, CSS, JS, Node.js, Express, and MongoDB. It is a problem solving real world website which is used to showcase our ISTE club's Information, Teams in it, Upcoming Events Registration, Past Events, Youtube Videos, Our Team Section involves Respected Faculty, Faculty Advisors, Advisory Board, Main Board, Coordinators details, Gallery of ISTE Events and Contact details. It has a Admin Login Feature in which it takes next event poster, google form to register, You Tube link and updates automatically.

## Website Link Sample :
